

SENIOR HIGH SCHOOL SUBJECT CHOICE

Grade 10 – 12 (2014 - 2015)

Notes

1. A pupil must offer seven subjects.
2. A pupil must offer two official languages.
3. A pupil must offer all the compulsory subjects.
4. Physical Sciences require Mathematics and so will not be an option for those who achieve less than 50% in Mathematics in Grade 9.
5. It is strongly advised to do Life Sciences WITH Equine Studies.
6. A learner must have PASSED Mathematics the previous year to continue with Mathematics in Grades 11 & 12.
7. The following are the promotion requirements for the National Senior Certificate (NSC):
 - one language at 40% at the Home Language level;
 - two other subjects at the 40% level;
 - three other subjects at the 30% level.

Please contact us if you have any queries or problems regarding the subject choice for your child.

Yours sincerely,

Mrs Z. Duvenhage
Principal
