### EACT High School Student Boarding Information 2014

The EACT Main Boarding facilities are available to girls only. We now also have separate accommodation for boys (small numbers of boarding rooms for boys). Students are housed in modern boarding houses/units. Boarders' meals are catered for and served in the dining hall. A recreational area that has DSTV, DVD/video, games, etc. is available for students

A House Parent lives in separate accommodation from the boarding houses and is responsible for the care and well being of the students he/she oversees.

The Boarding houses are separate units consisting of 5 to 6 rooms with 5 showers, 5 toilets & hand basins in each unit which the students share. Boarders are given rooms for 2. Boarders bring their own bedding in order to create a more homely environment, and are responsible for keeping their rooms tidy. Cleaning staff do regular cleaning of the rooms. Laundry services are offered and are additional to the boarding fees. Laundry is done during week days twice weekly.

Other School Facilities available to boarders: Gymnasium and Swimming Pool.
